Clevelanders Tips In Cleveland, “soda” is referred to as “pop.” If you hear “Burning River” or “Holy Moses,” it’s just someone ordering a craft beer made locally by Great Lakes Brewing Company. Many Clevelanders identify themselves as being either eastsiders or westsiders (the division being the Cuyahoga River), but all seem to claim downtown.

Fun Facts Cleveland is the home of Jerry Siegel and Joe Shuster, the creators of Superman, as well as a filming location for major motion pictures, including “A Christmas Story,” “The Avengers” and “Captain America 2: The Winter Soldier.” Oscar winners Paul Newman and Halle Berry hail from the region. So does Hall of Fame guitarist, Joe Walsh, who honed his craft with The James Gang in the 1970s with the popular single “Funk #49.” LifeSavers candy, the modern golf ball and the electric streetlight are all Cleveland firsts invented right here in Cleveland.

Location + Population Cleveland, located in the Eastern Standard Time Zone (EST) in the State of Ohio within Cuyahoga County, is on the southern shore of Lake Erie, part of the Great Lakes Region.
