Southwest Research Institute® (SwRI®) Profile:

SwRI, headquartered in San Antonio, Texas, is one of the oldest and largest independent, nonprofit, applied research and development (R&D) organizations in the United States. Founded in 1947, SwRI provides contract research and development services to industrial and government clients. The Institute is governed by a board of directors, which is advised by approximately 100 trustees.

SwRI's [11 technical divisions](#) offer a wide range of technical expertise and services in such areas as chemistry, space science, nondestructive evaluation, automation, engine design, mechanical engineering, electronics and more.

The Institute occupies more than 1,200 acres and provides more than 2 million square feet of laboratories, test facilities, workshops and offices.

In 2010, SwRI sponsored \$6.7 million in internal research to develop innovative technologies that ultimately benefit clients.

Directions to Southwest Research Institute and Bldg. 178:

- **From San Antonio International Airport: (see map on page 4)**
